

## Agency Tools: Pixie Fish Marketing

Pixie Fish Marketing offers full-service marketing solutions for all your business needs.

### Why I recommend Pixie Fish Marketing:

- They handle The Benefits Academy's marketing, so I can personally vouch for their professionalism and effectiveness.
- They offer full-service marketing solutions, including:
  - Newsletters
  - Social media and blog management, including content creation if desired
  - Editing services
  - Website development and management
  - Creating marketing collateral
  - Advertising production
  - Marketing strategy consultation and development
- Pixie Fish Marketing consistently provides innovative and creative solutions.
- Excellent self-driven execution and attention to detail.
- They specialize in working with small businesses, as well as in the benefits and human resources markets.
