

Medical Testing: Health Assist

Health Assist provides nationwide access to affordable [Imaging](#), [Radiology](#), and [Colonoscopy](#) services.

Why I recommend Health Assist:

- They were originally formed to remove financial barriers for care for the uninsured.
- Patients can get labs or screenings quickly and affordably.
- They provide a wide range of testing
 - Hundreds of lab tests
 - MRI
 - CT Scan
 - Ultrasound
 - PET Scan
 - X-ray
 - Colonoscopy
 - Upper Endoscopy
 - Hemorrhoid Banding
 - Cologuard
 - FIT/FOBT
 - Colohealth
- Pricing is all-inclusive, including the facility fee, testing, the testing report and a copy of the images
- Virtual consultation for lab/imaging referral available at just a flat \$40
