

## Prescription Service: DiRx

DiRx provides easy access to generic medicine at a low cost, without the need for insurance.

### Why I recommend DiRx:

- A one-stop shop for generic medication
- Provided through mail order, with automatic refills
- No insurance required
- Standard shipping is free on generics
  
- Direct access to savings available without a subscription
- Employer solution available
  - Low prices on 1400+ generic drugs
  - 24/7 customer multi-language support
  - No implementation or start-up costs
  
- Pharmacists available 24/7
- They get medicine directly from the manufacturers
- All drugs come from US-based manufacturers
